School Officer (Admin):
- Take possession of vital office records Eg. Class lists, family detail folder
- Mobile Phone
- Children’s medical records and essential medicines
- First Aid kit
- Take possession of computer backup drive

Teachers:
- Prior to a DISPLAN it is necessary for the children to practice getting into alphabetical line order as this will assist in roll taking during an emergency procedure
- Teachers are responsible for the group of children they are teaching at the time of the emergency. At the safe assembly area, classroom teachers take responsibility for their own class.
- Stay calm and keep children calm.
- Ensure all children in your care are accounted for.
- Move children to a safe, designated area.
- Children must sit in silence so that instructions can be heard
- Take class list with you.
- Call attendance roll (when assembled in a safe area).
- Report any missing child to the Principal or Person in charge.
- Remain with your class unless instructed by the Principal or person in charge to perform another task.

Students
- Stay calm and follow teacher directions.
- Walk briskly never run.
- Stay in lines when moving to safe areas.
- Keep quiet so that you can hear instructions.
- Keep alert and take the situation seriously.
- Sit down in your line at the assembly area.
- Keep quiet so that the roll can be called.

Staff other then Classroom Teachers:
- Gather at the basketball court and meet Deputy Principal.
• Deputy Principal will ask ancillary staff to go to different parts of the building/toilets to recheck that no child has been left behind.
• After this is completed they will report back to the Deputy Principal
• As a group they will walk to the Emergency assembly point and report to the Principal

EMERGENCY LOCK DOWN OF THE SCHOOL

Situation 1

If an emergency happens during a recess, the principal, person in charge, or teacher on duty will raise the alarm.

At the sound of the emergency siren, the children will line up with the assistance of the duty teachers. All other staff will go immediately to the assembly area and organise their class. Orderly and swift movement of children is required.

Once secure inside the building or classroom the class teacher will check the roll and inform the Principal or person in charge if a child is missing via the class intercom as well as if all children are present. Once in, the classroom the teacher will stay with the children and will not leave them for any reason whatsoever.

Classroom door should be locked once above information is given.

All ancillary staff should meet the Deputy Principal in the middle of the basketball court. The Deputy Principal will ask staff to check various parts of the building for children Eg. toilets, hallways. They will also lock all external doors. They will then meet back in the middle of the basketball court and as a group proceed to the school office to report their findings to the Principal.

The Principal or person in charge will notify you when the emergency is over.

Situation 2

If an emergency happens during class time, the Principal or person in charge will raise the alarm.

Teachers are to retain the children in their care. Any child working in a corridor, visiting the toilet, or delivering messages should return immediately to their classroom or to the area where their whole class is working.

Teachers will check the roll and inform the Principal by way of the intercom or person in charge if a child is missing. The teacher will stay with the children in his/her care and will not leave them for any reason whatsoever.

All ancillary staff should meet the Deputy Principal in the middle of the basketball court. The Deputy Principal will ask staff to check various parts of the building for children Eg. toilets, hallways. They will also lock all external doors. They will then meet back in the middle of the basketball court and as a group proceed to the school office to report their findings to the Principal.

The principal or person in charge will notify you when the emergency is over.
