Exceptional Education

Newsletter 3, Term 1, 2025

Friday 28th February

Lord Jesus,

You guide and direct us on our journey through life.

Be with us as we begin our Lenten journey of faith
and love.

Help us to grow closer to you during this special
holy season.

Help us to do your will each day during Lent.

We ask this through Christ our Lord.

Amen.

Dear Parents/Carers,

It's hard to believe we are already halfway through the term. Our students have settled in well, demonstrating a strong commitment to the school's expectations for positive behaviours for learning. Whether in the classroom or out in the yard, they are showing respect, responsibility and kindness in their interactions and daily routines. It has been wonderful to see their enthusiasm for learning and their efforts in creating a supportive and inclusive school environment.

A huge thank you to our incredible Parent Association for organising a fantastic Welcome Picnic last Friday night. Your work and dedication in planning this much loved event made it a wonderful evening for our school community. A special thanks for coordinating the delicious sausage sizzle, refreshing drinks and Zooper Doopers, perfect for such a hot night! The DJ and African drumming brought great energy to the event and we also extend our gratitude to our Sports Captains for leading engaging sporting activities. It was a huge success and we are truly grateful to the PA for bringing our community together in such a fun and welcoming way.

Next week, we begin the season of Lent, starting with Ash Wednesday. Lent is an important time in the Church's liturgical calendar, calling us to prayer, fasting and almsgiving as we prepare our hearts for Easter. On Ash Wednesday, students will receive ashes on their foreheads as a sign of repentance and a reminder to turn towards God with renewed faith. This sacred season invites us to reflect on our actions, show kindness and generosity to others, and strengthen our relationship with God. As a school community, we will journey through Lent together, encouraging our students to embrace its message of love, sacrifice, and renewal.

Reminder School Closure Dates for Term One 2025

Friday 7/3/25 School Closure, no students to attend Staff Professional Learning - Simply Maths.

Monday 10/3/25 Labour Day - no students attend.

Official Opening of Our STEM/Library Hub

We are thrilled to invite
our school community to
the official opening of our newly refurbished

STEM/Library Hub. This exciting milestone will be celebrated with a short ceremony, followed by light refreshments. Please join us, if you are free, as we acknowledge the importance of this space in fostering innovation, learning and creativity for our students.

 Friday, 28th March 2025
 11:30 AM – 12:30 PM
 Our Lady Help of Christians Primary School

Please RSVP by 7th March 2025 to
cwindsor@olbrunswickeast.catholic.edu.au

We look forward to celebrating this special occasion with you!

Ash Wednesday Mass

Next Wednesday, 5th March, is Ash Wednesday. This day marks the beginning of Lent and we will be celebrating with a whole school Mass at 11.00 am. Students will be invited to receive Ashes on their forehead and make a commitment to turn away from the temptation of poor choices and follow Jesus' teachings, as they prepare for Easter.

Mass will begin at 11:00 am sharp and as always, all families are welcome to attend.

Shrove Tuesday

Prior to the commencement of Lent on Ash Wednesday, a Catholic tradition is to eat pancakes on Shrove Tuesday. To enable themselves to fast throughout Lent, early Catholics used all of the 'luxurious' foods in their pantries - milk, butter and eggs.

All classes will be following this Catholic ritual on Tuesday, 4th March. Students will be offered a pancake with their choice of toppings such as jam, butter, lemon juice and sugar.

Teachers are aware of dietary restrictions of the students in their classes. If your child has any dietary restrictions that have not previously been advised, please contact your child's classroom teacher.

Project Compassion

Since 1965, Caritas Australia has been coordinating Project Compassion during the season of Lent. This initiative aims to raise money for and awareness of poverty and inequity in Australia and abroad. OLHC's contribution to

Project Compassion is being coordinated by the Social Justice Leaders. Project Compassion donation boxes will be distributed to all families and will be collected in the first week of Term Two. Learning resources will be shared to all classes; these focus on three feature stories of Caritas' efforts in the Democratic Republic of Congo, Samoa and Vietnam. The daily challenges and the impact of Project Compassion on students there may provide opportunities for rich family discussions over the next few weeks.

Easter Raffle

Our next fundraising event is on the calendar, our much loved annual Easter raffle! Raffle books will be sent home in your children's communication folders in the coming weeks, so keep an

eye out. The incredible chocolate filled hampers that make this raffle so exciting are only possible thanks to the generous donations from our school community. We welcome contributions of chocolate eggs, bunnies, bandicoots and other Easter treats. Please drop them off at the school office or have your children place them in their class tubs by Monday, March 31st. Every donation is greatly appreciated! For more details, see the flyer section below.

Enrolment Tours for 2026

School tours for Prep 2026 are now underway. It has been wonderful to personally guide families through our learning spaces and showcase the fantastic facilities OLHC has to offer. One class is already full and places are filling quickly for our second class. If you know any friends or family interested in a tour, please encourage them to contact our office at 8388 5900 or email cwindsor@olbrunswickeast.catholic.edu.au.

School Crossing Reminders

A reminder to all parents and carers to please use the designated school crossings on Miller Street and Nicholson

Street for the safety of all our students and families. We ask that you do not park in front of the

crossings, pull into our neighbors' driveways, or use the staff car park to drop children off. Additionally, performing U-turns in front of the crossings is unsafe and puts pedestrians at risk. Please help us keep our school community safe by following these important road safety guidelines.

Each year our school performance is published on the My School Website. The My School website has data from every school in Australia. It includes the school's student profile, enrolment numbers and attendance rates. It also allows parents to compare our NAPLAN performance to all Australian schools. **Our 2024 national results have been made available to us.** The table below displays the mean score for our school in each testing area and how our score compares to all Australian schools. I would like to thank the staff for their continued commitment to using data to inform their teaching practice in order to meet the individual learning needs of every child. We look forward to receiving and sharing the 2025 results when they become available later in the year. A reminder this year's NAPLAN testing window for Year 3 and Year 5 is between Wednesday 12th March and Monday 24th March.

Literacy Parent Helper Course

We will be holding two Literacy Parent Helper Course sessions for any parent who would like to assist as a volunteer in the Prep, Year 1 and Year 2 classrooms during the literacy block commencing Term 2. Courses will be held on the following dates.

- Wednesday 19/3/25 at 9.00 am - 9.30 am
- Friday 21/3/25 at 3.00 pm - 3.30 pm

Attendance is compulsory if you wish to help as you will learn about the roles and responsibilities and

expected behaviors of volunteers who work with children in our school.

If you are interested in attending one of these sessions or would like to assist in a junior class if previously trained, please contact Karina De Giusti (Literacy/Numeracy Leader Prep - 2) via email kdegiusti@olbrunswickeast.catholic.edu.au by Monday 17/3/25.

Please note these are the only dates these sessions will be available due to Ms Karina's additional support timetable.

School Uniform Reminder

A reminder of Summer uniform requirements for students.

Black shoes - recommended with closed toe. There is a choice of two school hats - either the Legionnaires Hat (one size fits all) or Slouch Hat (S, M or L) can be worn. If cold, the navy jumper &/or Bomber Jacket can be worn. Tracksuit tops can only be worn on Sports Days.

Children are to wear runners on their allocated PE day, black school shoes are to be worn every other day.

GIRLS: Summer dress, white socks (above the ankle), hair ties to be in school colours only (gold, green, navy).

BOYS: Short-sleeved blue shirt, grey shorts, grey socks.

Please note the following:-

Jewellery: No nail polish, make-up or jewellery is allowed. For pierced ears, studs only are acceptable due to danger of injury when playing games. Chokers, dangly earrings or chains worn outside clothing are considered too dangerous for school days.

Hair: Students with longer than collar-length hair must have it tied back at all times with plain blue, green or yellow elastic or 'scrunchie.' Hair bands can be worn, but must be plain blue, green, yellow or in Summer: checked (if same material as uniform). No extreme hairstyles or colours in student hair.

School Photographs - Thursday 20/3/25

This year's school photographs are on Thursday 20th of March. Please ensure all students are dressed in their Summer Uniform (**not Sports uniform**), with black school shoes, white socks for girls and grey socks for boys. If your child has PE scheduled for Thursdays, you may pack your child's runners in their school bag to be changed for their lesson.

All students will be photographed for school ID, regardless of whether parents will purchase photos or not. Please refer to the attached flyer for details on how to order your child/ren's school photos. Orders are encouraged to be made on-line, so we can avoid any cash handling issues.

Sibling Orders can also be ordered separately on-line. On-Line ordering for Sibling Orders cuts-off on 19/3/25.

If you do not have a credit card and wish to order a Sibling photo for all your children currently attending OLHC, please contact the office for a separate envelope form that needs to be returned with correct cash by 19/3/25.

Please see the flyer section below for more information.

Importantly, please do not contact the School Office for the time-table of the Photography schedule.

At OLHC, we have developed and implemented Child Safe Standards in order to help keep our students safe from harm. The Child Safe

Standards are compulsory minimum standards for all Victorian schools to ensure they are well

prepared to keep children and young people safe and protect them from abuse. The Child Safe Standards include requirements for schools including:

- involvement of families and students in child safety
- schools' focus on safety for Aboriginal students
- better management of child abuse risks in online environments
- governance, systems and processes for keeping students safe.

There are 11 Child Safe standards that schools must meet. Each year we have to communicate to you how we meet these standards. Each fortnight, we will share two with you and the measures we have in place to meet each standard. Please note all of our policies and Child Safe documentation is available to view on our school webpage which can be found at

<https://www.olbrunswickeast.catholic.edu.au/>

This fortnight, we will be highlighting Child Safe Standard One and Two, the first being to establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued. This is a new standard that requires schools to make sure Aboriginal children and young people feel safe. This standard applies to all schools, even if there are no students who identify as Aboriginal. The term 'Aboriginal' includes Aboriginal and Torres Strait Islander peoples. It is important to be respectful of how individual children, students, their families and community refer to themselves, and use appropriate language. Cultural safety includes being provided with a safe, nurturing and positive environment where Aboriginal children:

- feel comfortable being themselves
- feel comfortable expressing their culture, including their spiritual and belief systems
- are supported by carers who respect their Aboriginality and encourage their sense of self and identity.

At OLHC, we implement and demonstrate this standard by valuing and respecting the different cultures of all our staff, students and families, including Aboriginal and Torres Strait Islander peoples.

Child Safe Standard Two, requires us to ensure that child safety and wellbeing are embedded in school leadership, governance and culture. This standard emphasises the vital role that school leaders and governing authorities have in establishing a culture where child abuse and harm are not tolerated and effective systems and processes to implement child safe policies and practices and manage child abuse risks are in place. Schools must take deliberate steps to promote child safety and wellbeing and protect children by:

- embedding and promoting a child safety culture at all levels of the organisation
- school leaders actively modelling such a culture by ensuring transparent governance arrangements are in place.

At OLHC, we implement and demonstrate this standard through developing, endorsing and making publicly available the following policies on our school website.

- Child Safety and Wellbeing Policy
- Child Safety Code of Conduct Policy.

We also make sure that all school staff and volunteers understand our Child Safe Standards and their obligations regarding Child Safe information sharing and recordkeeping.

School Attendance

Under the Education Training and Reform Act 2006 (Vic.) and the Education and Training Reform

Regulations 2017 (Vic.), school attendance is compulsory for children and young people aged 6 to 17 years unless an approved exemption has been granted.

While ensuring school attendance is a legal responsibility of parents/guardians/carers, it is also a shared commitment between families, the school, and the wider community to support students in attending school every day.

Parents must ensure their child attends school daily and provide a valid explanation for any absences unless an exemption applies. Approved absences generally include (but are not limited to):

- Medical and dental appointments when out-of-hours options are not available
- Bereavement or attending a funeral, including participation in Sorry Business
- Cultural observances, where the school is informed in advance

Regular school attendance is essential for student success, helping young people stay on track academically, socially and developmentally. Students who attend school consistently have better long-term health, employment opportunities, and financial security.

If you are experiencing any challenges in getting your child to school or need support, please reach out to our Student Wellbeing Leader, Maegan Whiteley.

PA News - New Event Structure

Recently, there's been some discussion around how the P/A events within the school could be improved. One of the notes made on the current version of everything is that there's a fairly small number of people being

heavily relied upon for all of the events, each year. This not only leads to exhaustion but it doesn't necessarily breed creativity so in conjunction with Maree, and taking a lead and some ideas from other school's P/A groups, the decision was made to allocate each of the yearly events to a particular year level. This will see a few important, genuine advantages:

1. the events will be approached with fresh eyes and new ideas each time - there's no expectation to copy and paste from year to year;
2. the weight of the events being organised and run will be shared;
3. the number of times anyone will be asked to volunteer to help is reduced;

4. this increases the opportunities for those running each event to get to know each other and the rest of the school community.

While the Parent Reps for the classes will be the people at the helm, we know they won't be alone! We know that all the rest of each class's parents/carers will be ready to put up their hand, and we're sure there's an abundance of untapped and unique skills out there in our wonderful OLHC community, rearing to get out! The P/A will still exist but it's a good time to reiterate that there's no 'joining' of the P/A, there's no formality to it in that way so there's a wonderful group of people who can provide advice and guidance whenever requested. This new structure also gives the PA group more time to focus on bringing together awesome large events, like the Trivia Night or Cinema Night, as well as additional impromptu events throughout the year, like food drives.

From the conversations we've had with people thus far, the consensus is that this change will be super positive!

Now, to the important question, no doubt on your lips! What events are being run by which levels??? These are in order of the event calendar:

Easter Raffle: Year 6

Mother's Day Stall: Year 4

Mother's Day Breaky: Year 3

Feast Day Triathlon: Year 2

Disco: Year 1

Father's Day Stall: Year 5

Father's Day Breaky: Prep

I hope you're all excited about this new structure, and feel positive about how you and your peers can create memorable and wonderful events for the students and families of OLHC!

We are still looking for two amazing people to take on the role of Co - President so please reach out if this is something you would be interested in olhcpa@gmail.com

Thank you to the parents who have nominated themselves to be Parent Class Reps for the 2025 school year. **Please note we still require a Parent Rep for 3J and 4W.**

As many of our wonderful parents and carers know, to come into the school and be around the children, a current Victorian Working with Children Check is required. Whether that's to be a classroom reading helper or go on an excursion - or to help with the various fun events throughout the year, from the Triathlon to the Father's Day stall, and everything between! These WWC checks are FREE (because it's for volunteering), easy to apply for, and valid for a number of years. The application requires taking a photo of a few forms of ID and yourself, but is quick and easy, with step by step instructions. The card can take several weeks to arrive, so we encourage everyone to head over to the below website and have this done in preparation for your volunteering. Once your card arrives, please take it to the office for Debbie or Cathy to photocopy. You'll be asked to enter your WWC ID number the first time you sign into the iPad, but can then set up a Quick PIN to make the sign in process super quick thereafter.

Application:

<https://service.vic.gov.au/services/working-with-children>

Another idea which the PA have decided to try is that every fortnight (or month, depending on how popular this is), there's an informal catch up in the Staff Room, for any and all parents and carers who can make it. This is designed to help everyone get to know each other and

build even more strength into the already beautiful OLHC community. The days of the week will change with each meet-up, to ensure everyone working part time or working from home has a chance to be involved. The first Coffee Catch Up will be straight after drop off on **Thursday March 6th**. Maree has very kindly offered not only the Staff Room, but also the tea and coffee facilities! There will be no agenda, no formality at all - it's not a meeting, but a chance for authentic conversation.

Many thanks

Chrystal Gilkes

Dear Parents,

School photography day is coming up soon. Sibling, group and portrait photographs can be purchased by following the link below or by returning the order envelope with your payment to the school reception or our photographer on school photo day.

Two easy ways to purchase:

1. Visa, MasterCard or PayPal
2. Cash – complete the envelope supplied and return it to our photographer or school reception on photo day

To order, visit: www.advancedlife.com.au

And enter online order code: YK7 F94 G4C

School photography information:

- **Online orders** - Do not require an envelope
- **Sibling Photos** - Don't forget to pre-order your sibling photos online up to 24 hours before photo day. We provide your school with a list of sibling orders right up to the day of photography. If you miss the online order deadline, you can submit a completed sibling order envelope first thing in the morning from the photographer on photography day to the school reception or photographer. Please also inform the school so they are aware to schedule your children in for a photograph. Sibling photographs only apply to children enrolled at your school. Please note not all schools offer sibling photos.
- **Late fees** – A late fee will be applied to each package purchased after photo day due to the additional cost of producing these packages separately. Please refer to the cut-off date on the flyer.
- **Package delivery** - School photographs will be delivered approximately 8-10 weeks after the day of photography. Please note this delivery timeframe is dependent on proofing, the post-production process and additional photography days at your school.
- **Previous Years' photos** - Past years' photographs including sports, co-curricular and representative groups are also available to order under the "previous years or group photo" tabs at your school's [advancedorder](http://www.advancedorder.com.au) site, click on the "Order School Photos Here" button.
